("Front Setback Line", "Side Setback Line", "Rear Setback Line", "Side lot Line", and "Rear Lot Line" are as defined or used in the Lee County Zoning Regulations in effect as of the date of recording these Restrictions.)

6. A post lantern shall be constructed and maintained and operated for night illumination on or adjacent to the driveway on each lot within 25 feet of the street curb.

7. Perpetual easements for the installation and maintenance of utilities and drainage facilities as shown on the Plat are reserved by the Developer who shall have the right to convey such easements on an exclusive or non-exclusive basis to any person, corporation or governmental entity.

8. No tent, shack, garage, barn or other outbuildings shall, at any time, be erected and used temporarily or permanently as a residence or for any other purpose, nor shall any recreation vehicle be used as a residence or for any other purpose on any of the lots in the Subdivision. 9. No trade, business, profession or other type of commercial activity shall be carried on upon any lot, except that real estate brokers, owners and their agents may show dwellings in the Subdivision for sale, or lease; nor shall anything be done thereon which may become an annoyance or nuisance to the neighborhood. Every person, firm or corporation purchasing a lot in the Subdivision recognizes that Developer, his agents or assigns, has the right to conduct construction and sales activities in the Subdivision until all of the lots in the Subdivision have been sold.

10. No animals, livestock, or poultry of any kind shall be raised, bred, or kept on any lot, except that cats, dogs and other household pets may be kept, provided they are not kept, bred, or maintained for any commercial purposes and provided further that no person owning or having custody of a dog shall allow the dog to stray or go upon another lot without the consent of the owner of such lot.

17. These Restrictions are to run with the land, regardless of whether or not they are specifically mentioned in any deeds or conveyances of lots in the Subdivision subsequently executed and shall be binding on all parties and all persons claiming under such deeds for a period of thirty (30) years from the date the Restrictions are recorded after which time these Restrictions shall automatically extend for successive periods of ten (10) years each unless prior to the commencement of any ten year period an instrument in writing, signed by a majority of the owners of lots in the Subdivision, has been recorded in the Public Records of Lee County, Florida, which instrument may alter or rescind these restrictions in whole or in part. For a period of one (1) year from their date of execution, the restrictions may be amended or modified by the developer. Thereafter, the restrictions may be amended or modified only by seventy-five percent (75%) of the lot owners. For the purpose of the foregoing sentence, ownership of more than one lot by any person shall be construed as ownership of a single lot. No amendment of the Restrictions pursuant to this Paragraph, however, shall require a lot owner to remove any Structure or fence constructed in compliance with the Restrictions existing on (i) the date on which the construction of such Structure or fence commenced; or (ii) the date on which such owner took title to his lot if the construction of such Structure or fence commenced within 90 days of his taking title. No amendment shall become effective prior to the time a duly executed and acknowledged copy is recorded among the Public Records of the County.

18. If any person, firm or corporation, or their heirs or assigns, shall violate or attempt to violate any of these Restrictions, it shall be lawful for any other person or persons owning any lot in the Subdivision to prosecute any proceeding at law or in equity against the person or persons violating or attempting to violate any Restriction whether such proceeding is to prevent such persons from so doing or to recover damages or other dues for such violation.

19. Invalidation of any one of the provisions contained in the Restrictions by judgment or court order shall not affect any of the other provisions of the Restrictions, which shall remain in full force and effect.
